

Celebrate Ten Years of the NEDC at the

NEDC Members' Meeting

MELBOURNE

27-28 FEBRUARY 2020

Save the Date!

Building the System of Care for Eating Disorders

- Engage with sector leaders about building the system of care
- Learn about evidence-based initiatives in primary care
- Access training and professional development opportunities
- Network with local and national professionals
- Gather evidence-based tools and resources from the NEDC and our sector partners
- Engage with NEDC plans and projects - share your suggestions, requests and recommendations
